**NMC aligned MBBS Degree in Serbia**

Most students go to low-cost countries... but face problems like:

- Overcrowded universities
- Limited practical exposure
- Low global recognition
- Poor career opportunities

### CHOOSE SERBIA

A Smart European Option

- Quality Education
- Better Clinical Exposure
- Strong Global Career Path

### ADMISSIONS OPEN for 2026 Intake

Limited Seats for Indian Students

MBBS Experts:

62600-58950, 83607-54797, 79731-60270

## Why SERBIA over other countries?

Factor	Serbia	Russia	Georgia	Central Asia (Kyrgyzstan, Kazakhstan, Uzbekistan)
Education System	European Standard	Mixed	Moderate	Low/Basic
Clinical Exposure	High (Real Hospitals)	Limited	Medium	Low
Indian Students	Low	Very High	High	Extremely High
Global Opportunities	Strong (EU Pathway)	Limited	Limited	Very Limited
Degree Value	Premium	Average	Average	Low
Student Life	European	Basic	Basic	Basic

Serbia is located near major European Countries:  
Hungary | Romania | Bulgaria | Croatia  
Exposure to European Healthcare System | Better Future Pathways
